

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 17137-A of 1515 15th Street, LLC, Jacob A. Kamerow, Trustee & Edith Kaplan, Trustee, pursuant to 11 DCMR §3101.2, for a variance from the lot occupancy requirements under section 772, a variance from the area requirements pertaining to residential recreation space under section 773 and a variance from the loading requirements under section 2201, to construct a seven story residential building with ground floor and below grade retail and service uses in the Arts/C-3-A District at premises 1515 15th Street, N.W. (Square 209, Lot 100 (also known as A&T Lots 919-921)).

HEARING DATE: April 13, 2004

DECISION DATE: April 13, 2004 (Bench Decision)

DISPOSITION: By Order No. 17137, dated June 4, 2004, the Board granted Application No. 17137 by a vote of 4-0-1 (Geoffrey H. Griffis, Ruthanne G. Miller, John A. Mann II, and Anthony J. Hood, to approve; Curtis L. Etherly, Jr., not present, not voting).

MODIFICATION ORDER

By letter dated November 15, 2004, the Applicant submitted a request that the Board modify the approved plans in the subject application. The Applicant requested that the Board approve the reconfiguration of the parking spaces, a reduction in the number of residential units and an expansion in the amount of retail, service, arts, entertainment and office uses. The Applicant's request to modify the Order was filed timely pursuant to §3129.3 of the Zoning Regulations. Parties consist of the Office of Planning (OP) and Advisory Neighborhood Commission (ANC) 2F. Both parties submitted reports in support of the Applicant's request for modification, Exhibits No. 38 and 40, respectively.

THE MODIFICATION

The proposed modification of plans would make changes to the layout of the parking spaces and the number of parking levels. None of the variance relief granted is affected by this proposed modification. The layout of the parking levels has been revised to eliminate a large number of spaces in vault areas because of the prohibitive cost of relocating a 24-inch WASA sewer line that is located under P Street. As a result, a partial 4th level of parking below grade has been added to the project and far fewer spaces are proposed to be located in vault areas.

The proposed modification of plans would reduce the number of residential units. None of the variance relief granted is affected by this proposed modification. To accommodate (i) the health club operator, who proposes to offer a day spa at the street level on 15th Street and requires that a larger area be devoted to ground floor spa uses and (ii) Metropolis Development Company's desire for office space in the building, five (5) ground floor residential units are to be converted into retail and office space. In addition, to respond to changing market conditions, a number of residential units have been reconfigured or consolidated.

The proposed modification of plans would increase the area devoted to retail, service, arts, entertainment and office uses. None of the variance relief granted is affected by this proposed modification. The amount of retail, service, entertainment and related space (including the health club) has increased as a result of the conversion of five (5) residential units into ground floor day spa space. In addition, 2,310 square feet of retail space has been converted into office space for the use of Metropolis Development Company which, through an affiliate, is the developer of the subject project.

DECISION

The Board concludes that the requested plan modifications are minor and are within the requirements of §3129, as "minor modification[s] that do not change the material facts the Board relied upon in approving the application." After reviewing the request for modification and the supporting materials, including a letter of support from ANC 2F and a memorandum of support from OP, the Board has determined that the request should be granted.

Accordingly, it is therefore hereby **ORDERED** that the motion for minor modification of plans, as shown on Exhibit No. 37 of the record, is **GRANTED**.

DATE OF DECISION: December 7, 2004

VOTE: 3-0-2 (Geoffrey H. Griffis, Ruthanne G. Miller and John Mann II to approve; Anthony J. Hood and Curtis L. Etherly, Jr., not present, not voting).
